ISSEA Fever Hits ICS

Congratulations to our scholar athletes, our coaches and to Athletic Director Kirby Boychuk, for the excitement and enthusiasm that our varsity soccer and volleyball tournament is generating today and this weekend. A marching band! Dancers! Jello-sucking coaches! Choirs! Meseret Defar! Fierce, friendly competition! All our students are showing great sportsmanship and conduct as they cheer and applaud our own ICS athletes and our guests from across southern and eastern Africa. You can hear the noise from our Gymnasium all over the neighborhood. Many thanks to all the teachers and parents who are helping make this a memorable event in the lives of our students and the history of ICS. The friendships and memories our students make this weekend may last a lifetime. If you can, come and join us this evening, Friday or Saturday, to watch some great sports action in the Gym or on the fields. If you can't come in, check out our ISSEA XVIII web page for photos and results, at...

November 14 is Noon Dismissal for all Students

All ICS students will be dismissed from school at 12:00 on Friday, November 14. ICS teachers will use the afternoon to focus on action plans related to our accreditation and our school's strategic objectives: academic success, IB preparation, and character, service and leadership. Please be sure that you or your drivers are ready to pick up students at noon.

General Board Meeting

The fourth regular monthly General Board Meeting will be held on Monday, November 10, at 7:00 PM in the high school library. The updated agenda of the meeting is included below.

All ICS parents and faculty are eligible and encouraged to attend.

Photos Coming Soon

Portrait photos and yearbook photos will be taken for all ICS students and classes on November 19-21. The photo schedule for classes and grade levels will be shared with students and parents soon, so you can know when to dress up. Parents will also receive information about ordering photo packets, which should be available to you before the December holiday begins.

Plastic Bottles with Lids

Parents and students are reminded that ICS is a collecting point for used plastic water bottles with lids. A local NGO takes these bottles, cleans them, and then provides a bottle of clean, safe drinking water to street children and others who might otherwise be at risk. On the ICS campus you can find large plastic baskets for you to deposit your used bottles. *Thank you!*

The School Mobile Phone number is 0911-333-650. Please write this number on the cover of your school directory and use it as an alternate number to reach the school whenever there is no answer from our switchboard during regular school day hours.

Secondary Corner

Coffee? Coffee House!

The library will become a coffee house event on Thursday, November 13, from 6-8 PM. What is a coffee house? A coffee house is a gathering of our ICS high school students, parents and staff who wish to share song, poetry and SHORT pieces of writing with others. The work can be original, the work can be from another, but it means something to you and you want others to hear it. Students and teachers are preparing even now, and all are invited to enjoy the evening. A small admission fee is charged, and donations welcome...the money will support community service projects that ICS students are involved in. If you'd like to learn more, please call or write our office. *Welcome!*

College Fair at ICS

On Wednesday, November 12, there will be a College Fair from 2:30 to 4:30 on the ICS Library Lawn. College admissions officers from 17 US and Canadian colleges and universities will be available to discuss all aspects of the college admissions process. All grade 11/12 students will be attending this fair, and their parents are invited to attend. There will also be a general presentation from 2:00 to 2:30 in the Gym. Parents please encourage your high school children to "dress for success" on Wednesday for the College Fair at ICS.

Honor Assemblies Next Week

The Middle and High School Honor Assemblies for Quarter One will be held at 2:45 on Thursday, November 13. Parents are welcome to attend. Student who earned a 3.33 to 3.69 GPA for quarter will be on our Honor Roll, and students who earned 3.70 GPA or higher are on our High Honors list. The two honor roll lists will be prepared and sent to parents of students in grades 6 – 12 before the assemblies. If you or your child feels that our list is in error, you are welcome to call or write our office and we will double-check the computer calculation.

Early Childhood Education Potluck/Picnic

Our ECE team has planned the ECE potluck/picnic on Friday November 14 from 11.00-12.00. It is an early dismissal day so everyone goes home with their parents after the picnic.

We ask each parent to bring a dish (variety was there without directing it) or dessert WITH SERVING SPOON (labeled) and we as a school will provide some juice/water. We will have two tents and a few tables for the food and one table for the drinks, as well as plates/cups/cutlery and napkins.

PARENT/TEACHER VERSUS STUDENT TENNIS TOURNAMENT A SMASHING SUCCESS!

Last weekend, over 85 parents, teachers and ICS students met at the ICS tennis courts for three days of friendly tennis matches. Participants played both singles and doubles and were lucky to get rained out for only one 30 minute round. Students are hoping for an encore performance sometime in the future, after they have practiced a bit more, of course.

The primary purpose of the November meeting is to officially provide the Association with the audited financial report for the previous fiscal year. The highlight of the April meeting is the election of Board members for the coming school year. These meetings, in addition to regular monthly Board meetings and Director Teas, provide further opportunities for the School Board and School Director to update the Association on school progress and to hear comments from Association members. Please join us for the AGM at 7:00 PM on Tuesday, November 18, in the cafeteria.
